DESCRIPTION

# Explanations of IFRS ® and IFRIC interpretations

# Practical insights into implementation issues

# Worked-out illustrations and examples

# Case studies with solutions

# Multiple-choice questions with answers

# Extracts from published financial statements

A one-stop resource for understanding and applying current International Financial Reporting Standards

As the International Accounting Standards Board (IASB) makes rapid progress towards widespread acceptance and use of IFRS ® (formerly named International Accounting Standards) worldwide, the need to understand these new standards increases. Now fully revised and updated, IFRS ® Practical Implementation Guide and Workbook, Third Edition is the straightforward handbook for understanding and adapting the IFRS ® standards.

This quick reference guide includes easy-to-understand IAS/IFRS ® outlines, explanations, and practical insights that greatly facilitate understanding of the practical implementation issues involved in applying these complex standards.
Clearly explaining the IASB standards so that even first-time adopters of IFRS® will understand the complicated requirements, the *Third Edition* presents:

- Ten recently issued and revised IFRS® standards including business combinations, financial instruments and newly issued IFRS® for SMEs
- New International Financial Reporting Interpretations Committee (IFRIC) projects
- Multiple-choice questions with solutions and explanations to ensure thorough understanding of the complex IFRS®/IAS standards
- Case studies or "problems" with solutions illustrating the practical application of IFRS®/IAS
- Excerpts from published financial statements around the world

Designed with the needs of the user in mind, *IFRS® Practical Implementation Guide and Workbook, Third Edition* is an essential desktop reference for accountants and finance professionals, as well as a thorough review guide for the IFRS®/IAS certification exam.
