DESCRIPTION

A comprehensive look at hedge fund performance issues

*In **Evaluating Hedge Fund Performance***, Dr. Vinh Tran gives readers the information they need to construct an efficient hedge fund portfolio based on their own level of knowledge. From evaluating hedge funds to picking the winners, Dr. Tran covers some of the most important issues related to this flexible investment vehicle. ***Evaluating Hedge Fund Performance*** takes the standard hedge fund book to a new level by detailing how to manage the risk of hedge funds and offering the best methods to evaluate and monitor hedge funds. With strategy based on interviews and data from experts in the field, this book is a must-read for any investor or manager who is investing in hedge funds.

ABOUT THE AUTHOR

Dr. Vinh Q. Tran is a Senior Vice President in Global Wealth and Investment Management at Bank of America. He has over twenty years of experience in managing fixed income, relative value, global macro, and long/short equity strategies. he has advised institutional investors, funds of hedge funds, and high-net-worth individual investors in hedge fund investing and asset allocation strategies. Dr. Tran has also taught portfolio theory and quantitative methods as an adjunct professor of finance at New York University's Stern School of Business and Fairfield University. Author of *Foreign Exchange Management in Multinational Firms*, Dr. Tan has a PhD and an MBA in finance from the George Washington University, and a BA in accounting and a BS in political science from the University of Dalat in Vietnam.
