DESCRIPTION

Fully updated guide to proven, practical strategies for conducting effective interviews — including access code to online videos

Clinical Interviewing is the essential guide to conducting initial interviews, suicide assessment, mental status examinations, and psychotherapy skill development. The Sixth Edition includes:

• Updates focusing on latest trends in clinical interviewing research and practice
• Updated information on technology-based interviewing
• Access to over 70 videos that show the authors discussing and demonstrating crucial interviewing techniques
• Online instructor’s manual and resources to facilitate teaching
• Fresh case examples to help apply interviewing skills and concepts
• New coverage of special populations and multicultural considerations
• Expanded skills coverage to help facilitate client insight and action
This new edition also includes a Registration Access Card with a unique one-time code to access the Wiley Interactive E-Text (Powered by VitalSource), enhanced with dynamic content, including instructional videos and practice questions to further enrich student learning. It provides uninterrupted, mobile access anywhere, anytime.

---

**ABOUT THE AUTHOR**

**JOHN SOMMERS-FLANAGAN, P HD**, is a clinical psychologist and professor of counselor education at the University of Montana. He is a long-time member of both the American Counseling Association (ACA) and the American Psychological Association (APA).

**RITA SOMMERS-FLANAGAN, P HD**, is professor emeritus at the University of Montana. As a clinical psychologist, she has worked with youth, families, couples, and women for many years.
