DESCRIPTION

The one-stop resource for IFRS interpretation and application, updated for 2018

*Wiley IFRS 2018* offers a complete resource for the interpretation and application of the latest International Financial Reporting Standards (IFRS) as outlined by the International Accounting Standards Board (IASB). With up-to-date coverage and a host of practical tools, this book provides invaluable guidance on the expanding framework for unified financial reporting. Organised for easy navigation, each chapter includes general statement information followed by topic-specific discussion to facilitate both quick-reference and in-depth study. The expert team at PKF International provides authoritative insight from a practitioner’s perspective: IFRIC interpretations and practical real-world guidance ensure full understanding of the newest standards, and the Disclosure Checklist helps verify compliance.

The IASB’s efforts are paying off as more and more countries around the globe either adopt IFRS as their national standards, or adjust local standards in alignment. A working understanding of IFRS application is becoming essential, even as the rules continue to evolve. This book provides full coverage of the latest standards and thorough guidance for implementation.

- Review the latest IFRS rules and standards
- Apply guidelines and best practices appropriately
- Gain expert insight on IFRS interpretation and implementation
- Ensure compliance and verify completeness
Uniform financial reporting reduces the costs of financial statement preparation for multinational companies, and streamlines the assessment of business results. As the standards themselves evolve, so must practitioners' understanding of how to apply them correctly in real-world cases. *Wiley IFRS 2018* offers a complete, up-to-date reference to help you apply and comply with the latest international standards.
