DESCRIPTION

This workbook contains basemaps of the major realms, including: North America, Middle America, South America, Europe, Russia/ Central Asia, North Africa/Southwest Asia, Subsaharan Africa, South Asia, East Asia, Southeast Asia, the Austral Realm, and the Pacific Realm.

The activities and questions will teach students to:

• interpret maps/be able to explain what each map shows.

• identify the most critical parts of any map.

• understand the static nature of maps.

• understand the difference between spatial and non-spatial data.

• form a much better understanding of the scale involved when maps are used.

• improve spatial reasoning/thinking skills.

• make inferences and draw conclusions about countries and regions based on information presented within maps.
