The Psychology of Coaching, Mentoring and Learning, 2nd Edition
Ho Law

E-Book ISBN: 978-1-118-59831-3 September 2013 $44.99

DESCRIPTION

The Psychology of Coaching, Mentoring, and Learning addresses the psychological principles upon which coaching and mentoring is based, and integrates them in a universal framework for the theory and practice of individual and organizational development. The second edition is updated with the latest research, taking into account the increasing importance of positive psychology and its role in coaching and mentoring with an emphasis on strength, growth, and development.

Combining high-level theory with practical applications and case studies, this is an invaluable resource for coaches, mentors, trainers, psychologists, executives, managers, and students.
