DESCRIPTION

This authoritative book examines British policy in the Middle East, focusing on how Britain’s response to 9/11 – particularly the decision to join the US invasion of Iraq – has affected its role and relations in the region.

• Establishes what was ‘new’ about the New Labour approach and policies towards the Middle East and what changed as a result of 9/11 and the ‘war on terror’

• Analyses in detail how the Blair government handled the Iraq crisis, invasion and fallout, including developments in relations with Iran

• Documents Britain’s ‘niche’ role in the Middle East peace process.

• Argues that arms sales, trade and finance bind Britain to the Arab Gulf states

• Traces Britain’s involvement in US–regional security arrangements

ABOUT THE AUTHOR

Dr Rosemary Hollis is Director of the Olive Tree Scholarship Programme at City University London, and was formerly Director of Research at Chatham House.
