The Ethics of War is an indispensable collection of essays addressing issues both timely and age-old about the nature and ethics of war.

- Features essays by great thinkers from ancient times through to the present day, among them Plato, Augustine, Aquinas, Machiavelli, Grotius, Kant, Russell, and Walzer

- Examines timely questions such as: When is recourse to arms morally justifiable? What moral constraints should apply to military conduct? How can a lasting peace be achieved?

- Will appeal to a broad range of readers interested in morality and ethics in war time

- Includes informative introductions and helpful marginal notes by editors
