**DESCRIPTION**

*The Philosophy of Law* is a broad-reaching text that guides readers through the basic analytical and normative issues in the field, highlighting key historical and contemporary thinkers and offering a unified treatment of the various issues in the philosophy of law.

- Enlivened with numerous, everyday examples to illustrate various concepts of law.

- Employs the idea of three central commonplaces about law - that law is a social matter, that law is authoritative, and that law is for the common good - to organize seemingly disparate topics and to bring rival views into contention with each other.

- The first volume in the *Fundamentals of Philosophy* series, in which leading philosophers explore the fundamental issues and core problems in the major sub-disciplines of philosophy.

**ABOUT THE AUTHOR**
