DESCRIPTION

Provides a highly illustrated guide for designers, installers and contractors working on hot and cold water supplies. The book takes account of the 1999 Water Regulations and British Standard BS 6700. The new edition takes account of the latest requirements of the Building Regulations and features a new section on sprinkler systems.

ABOUT THE AUTHOR

BSI Group, also known as the British Standards Institution, is the national standards body of the United Kingdom. BSI produces technical standards on a wide range of products and services, and also supplies certification and standards-related services to businesses.

Robert H. Garrett, formerly of Langley College of Further Education and past President of the National Association of Plumbing Teachers.
