DESCRIPTION

An anthology of primary texts in translation, *An Introduction to Classical Rhetoric* offers an overview of the social, cultural, and intellectual factors that influenced the development and growth of rhetoric during the classical period.

• Uses primary source material to analyze rhetoric from the Sophists through St. Augustine

• Provides an in-depth introduction to the period, as well as introductions to each author and each selection

• Includes study guides to help students develop multiple perspectives on the material, stimulate critical thinking, and provide starting points for dialogue

• Highlights include Gorgias's *Palamedes*, Antiphon's *Truth*, Isocrates' *Helen*, and Plato's *Protagoras*

• Each selection is followed by suggested writing topics and a short list of suggested additional readings.
