DESCRIPTION
This major new work by Professor Anthony D. Smith challenges the notion of nationalism as a product of modernity.

• Major new work by a leading historical sociologist

• Challenges the prevailing idea of nationalism as a product of modernity

• Demonstrates that different political forms of community and collective identity from pre-modern times have contributed to the formation and character of nations

• Analyzes the chronology and nature of nations, from the ancient world, to the European Middle Ages, the early modern, and the modern eras

• Discusses alternative destinies facing modern nations today
