DESCRIPTION

The young ob/gyn patient presents unique problems different from the mature woman but which training often neglects. This user-friendly, practical book provides generous coverage of all aspects of pre-womanhood gynecology. Ranging from the commonest problems to the less common but urgent, it emphasizes diagnosis, special care and management throughout.

ABOUT THE AUTHOR

Albert Altcheck, MD, Clinical Professor of Obstetrics, Gynecology and Reproductive Science; Chief of Pediatric and Adolescent Gynecology; Attending Obstetrician/Gynecologist, Mount Sinai School of Medicine, New York City, USA.
