**DESCRIPTION**

*Reforming Long-term Care in Europe* offers the most up-to-date analysis of the features and developments of long-term care in Europe. Each chapter focuses on a key question in the policy debate in each country and offers a description and analysis of each system.

- Offers the very latest analysis of long-term care reform agendas in Europe
- Compares countries comparatively less studied with the experiences of reform in Germany, the UK, Netherlands and Sweden
- Each chapter focuses on a key question in the policy debate in each country and portrays a description and analysis of each system
- Contributions from a wide range of European scholars for an exceptionally broad perspective

**ABOUT THE AUTHOR**

**Dr Joan Costa-Font** is Senior Lecturer at the Department of Social Policy and the European Institute, LSE. His area of expertise is the economic analysis of institutions, health, health care and ageing, with a particular focus on Europe and he is the author of *The Economics of New Health Technologies* (2009).
