A Wiley Brand

Bookseller Resources

Welcome to the new 2019-2020 season & the Jacaranda Bookseller Kit for Queensland with our catalogue highlights. It's set to be another big year with the roll out of Frontlist 2020 Titles for Units 3&4 for Senior Mathematics and Senior Geography and continuing uptake of our Australian Curriculum 7-10 Titles, now supported with the learnON 2019 upgrades.

We thank you for your support and look forward to working with you and your schools to deliver market-leading print and digital and digital-only resources to schools across Queensland!

What you can find on the bookseller pages:

- The 2020 Jacaranda price list (Excel & PDF)
- A catalogue of our 2020 frontlist titles, including covers, ISBNs, and links to product series pages
- Frontlist resources such as title information sheets available for download
- Sample pages
- Updates to release dates
- Important links such as the teacher resource request form
- Contact details of the Jacaranda sales team

Bookmark our Jacaranda Bookseller Page. It acts as the central hub for everything you need, and we continuously make updates throughout the year.

JacPLUS Bookshelf Updates

We are thrilled to announce the updates now live at **JacPLUS Bookshelf**, the online portal to all your Jacaranda digital resources. These updates allow teachers and students to seamlessly access the full range of available digital formats for Jacaranda titles.

- All formats of all titles in one place
- Seamless access to all digital formats

- Favourite your most-used titles
- Download the PDF in one click

The Jacaranda learnON platform

New 2019 updates

learnON is our immersive and flexible digital learning platform that transforms trusted Jacaranda content to make learning more visible and personalised. learnON is on of the four formats that comes for free with Jacaranda 7-10 titles.

With learnON, everything is in the one place for a dynamic and uninterrupted learning experience.

This means:

- **integrated media** embedded at the point of learning
- **immediate feedback** for students via auto-marked questions, worked solutions and exemplary responses
- **full visibility** into students' results and progress

Teachers can:

- **answer questions and comments online** and **provide** real-time feedback in assignments and assessments
- **manage classes** to optimise efficiency and results.

You asked: we delivered

Based on customer feedback, teachers and students can now experience:

- the ability to toggle between **teacher** and **student** views
- **downloadable PDFs** that are available at your fingertips
- **resources** that are grouped and organised by category
- an **intuitive learning path navigation**, simplifying how you find topics and questions.

Teachers can:

- **set assessments and policies** quickly and easily
- **gain deep insights** into class results and individual student performances.

Jacaranda Maths Quest

For the Queensland Senior Syllabus

This series is designed to help teachers unpack the new curriculum and help students at the point of learning so every student can experience success in the classroom, at home and ultimately in the exam.

Perfectly aligned to the curriculum

Our authors and teachers have been living and breathing the curriculum changes to deliver an easy-to-follow text, fully supported by a comprehensive bank of dynamic resources.

Preparing students for exam success

General Mathematics, Mathematical Methods, Specialist Mathematics each come with complimentary studyON, our online study, revision and practice tool – FREE!

Helping overcome misconceptions

Includes free access to *Fully Worked Solutions* for every question to demonstrate or confirm students' thinking.

Jacaranda Cybersafety Solutions for Teachers and Students

Jacaranda Digital Citizenship for Students

Jacaranda Digital Citizenship powered by CyberPass is an online digital citizenship education tool that provides Years 6-8 students with the skills and knowledge to participate responsibly and safely in a digitally-enabled world.

The resource covers all areas of digital and media literacy as required by the curriculum, from cyber safety and cyber bullying, to researching, communicating, socialising and purchasing online.

Addressing the requirements of the curriculum

This resource is very specific and deliberate in its coverage of the core elements of the ICT capability and addresses the following skills and knowledge that are applicable across all learning areas in each curriculum:

Applying social & ethical protocols	Years 6 and 8	Investigating with ICT	Years 6 and 8	Communicating with ICT	Years 6 and 8	Managing and operating with ICT	Years 6 and 8
Recognise intellectual property	✓	Define and plan information searches	✓	Collaborate, share and exchange	✓	Select and use hardware and software	✓
Apply digital information security practices	✓	Locate, generate and access data and information	✓	Understand computer mediated communications	✓	Understand ICT systems	✓
Apply personal security protocols	✓	Select and evaluate data and information	✓			Manage digital data	✓

www.jacaranda.com.au/cyberpass

What students love about the course

Engaging videos

Videos containing a mix of experts and young people describing their experiences online are provided relevant to each quiz.

Quizzes

A mix of nine different types of interactive questions are used and all questions are relevant and provide easy to follow instructions.

Review and reflect

Quiz review screens (where students can see each question they answered) provide links to educational resources relevant to the question.

Activities and games

A range of educational activities and games are provided relevant to each quiz.

Skills checklists

Checklists contain each of the 90 skills required and the tips to help achieve that skill.

Interactive glossary

An interactive glossary is available at all times for any technical terms that are not understood.

Immediate feedback

Concise and easy to understand feedback is provided for each question response.

Ready to get started?

Jacaranda Digital Citizenship powered by CyberPass is available as an exclusive product for schools. To purchase the resource it is \$10 per student via institutional license.

If you would like to purchase an institutional license or have questions about the course please contact the Jacaranda Sales Team on (03) 9274 3285 or email jacsales@wiley.com.

www.jacaranda.com.au/cyberpass

Jacaranda Digital Citizenship

Professional Development for teachers

For today's educators, it's important to know how to use technology in a safe and ethical manner, while also having the skills and language to teach students what it means to be a responsible digital citizen.

That's why we've developed *Jacaranda Digital Citizenship Professional Development for Teachers*; an online short course specifically designed to help teachers, school leaders and education specialists to do just that.

Why do teachers need digital citizenship education?

Online safety

Gives teachers the skills to maintain a safe online presence

Duty of care

Provides proof of duty of care and promotes proactive intervention of issues

Learn the lingo

Learn the language and the issues to better understand the perspective students

Professional development

Receive a certificate worth four hours to contribute to professional development requirements

Curriculum alignment

Gives teachers confidence in their coverage of the ICT capability requirements

Links to student resource

Receive a complimentary copy of the student version a little unclear, could remove?

www.jacaranda.com.au/digitalcitizenship

What you'll love about the digital citizenship course

Topic videos

Each lesson begins with a video that introduces you to the key concepts and ideas you are about to explore in that topic.

Expert interviews

A series of videos with experts in their field including an IT Lawyer and e-security specialist, which provide professional input on a variety of topics.

Practical tips

Throughout the course we have provided a range of practical tips that you can use to implement cyber safety in both your professional and personal life.

Glossary terms

Glossary term hover-links allow you to view definitions of key terms, which act as a quick reference tool and help consolidate understanding.

Extra resources

Resources and links to external websites have been included to support your learning and provide references for the content you have covered in the topic.

In-course customisation

Customisation features such as highlighting, notes and favourites to personalise the learning experience and help you retain key information.

Ready to get started?

The course can be purchased individually or for the entire faculty as an institutional licence.

Individual purchase

\$149 per purchase

If you would like to make an individual purchase please visit www.jacaranda.com.au/digitalcitizenship.

Institutional license

For institutional licenses of up to 49 users — \$2,499

For institutional licenses of 50+ users — \$3,299

If you would like to purchase an institutional license or have questions about the course please contact the Jacaranda Sales Team on **(03) 9274 3285** or email jacsales@wiley.com.

Discover studyON

studyON is an interactive and highly visual online study, revision and exam practice tool designed to help students and teachers maximise exam results for their Senior courses.

Features:

-  Concept summary screens provide concise explanations of key concepts, with relevant examples.
-  Access QCAA questions from 2020 on or custom-authored practice questions at a concept, topic or entire course level, and receive immediate feedback.
-  Revise with exam style questions and sit timed practice exams.
-  Video animations and interactivities demonstrate concepts to provide a deep understanding (Units 3 & 4 only).
-  All results and performance in practice and sit questions are tracked to a concept level to pinpoint strengths and weaknesses.
