WILEY

Digital Book Models Made Easy

USAGE-BASED COLLECTION MANAGEMENT MODEL

PATRONS ACT, YOU DECIDE

Empower your digital book selection process based on patron activity.

contextualization and stress-free title selection.

How it Works

Choose to pay for access to the entire online books database or select specific subject categories.

Evaluate usage statistics at title level and purchase a selection of titles equal to or greater than the committed amount based on patron activity. Our enhanced usage reports are provided on a quarterly basis and allow for better usage

Custom Support Package

A comprehensive institution-specific support package includes:

- Quarterly enhanced usage dashboard
- Customized marketing materials
- Awareness campaigns
- Tutorials and relevant setup and maintenance guides

ACCESS TO THE MOST CURRENT CONTENT

Flexible

Select current year or current plus prior year titles. Choose to get the full collection or select individual subject categories.

Supported

- Institution-specific communication and awareness campaigns
- Tutorials to get you up to speed on Wiley offerings
- Relevant guides for setup and maintenance

Subject Collections:

Business, Chemistry, Physical Sciences & Engineering, Health Sciences, Life Sciences, Humanities, Math and Stats, Social Sciences.

FRONTLIST COLLECTION

BACKLIST BY SUBJECT

AUGMENT YOUR COLLECTION FOR LESS

Build by Choice

Select the full collection or individual subject categories to top off your collection from years prior.

Subject Collections: Business, Chemistry, Physical Sciences & Engineering, Health Sciences, Life Sciences, Humanities, Math and Stats, Social Sciences, and Veterinary Sciences.
